KANMANTOO PRIMARY CRUSHER REFURBISHED

Hillgrove Resources Limited (ABN 73 004 297 116) (ASX: HGO) ("Hillgrove") is pleased to advise that the repairs and refurbishment to its primary crusher were successfully completed Wednesday 23 May 2018.

The Company took the opportunity to bring forward other planned preventative maintenance, including a SAG Mill girth gear rotation. Undertaking this work will now reduce the quarterly scheduled shut down in July 2018 by three days.

The processing facility is now running at full capacity.
